Congregation Pastor (Cantonese Ministry)

Introduction

Fraser Lands Church's vision is "To be a church of all nations transformed through faith and love in Christ". In this season, we are excited that God is inviting us on a journey of learning – especially learning about two things. First, learning about the Spiritual practices of Church Renewal; and second, God is calling us to practice Being a Loving Presence of Christ in Our Neighbourhoods.

The Congregation Pastor (Cantonese Ministry) joins a team of 8 other pastors (not including ministry assistants, and administration staff) and reports directly to the Senior Pastor.

Job Details

Primary responsibilities include:

- Preaching/Worship
- Teaching/Christian Education
- Shepherd/Caring
- Fulfilling other ministry initiatives as required

Requirements

We are looking for a person who:

- Demonstrates the gift of preaching
- Provides shepherding leadership with a servant's heart
- Has good administration skills and is an effective communicator overall
- Has flexibility and creativity to work under the current church vision and ministry plans
- Is able to work cooperatively and effectively with the pastoral team to minister to a multi-generational and international congregation of 230+
- Is personable and takes initiative to pursue relationships with others
- Actively participates in church activities, and functions as part of the church family
- Has a missional mindset/lifestyle
- Is culturally intelligent and has experience with cross-cultural ministry
- Has the ability to read, write, and speak Cantonese and must be able to communicate proficiently in English
- Is actively practicing Spiritual gifts and open to the Spirit's leading
- Has a desire to "grow" with the church congregation

Your experience and educational background:

- Master's degree from a theological seminary or equivalent
- Accredited or eligible for accreditation as a licensed worker with the C&MA

- Pastoring experience with preaching, teaching, evangelism, and fellowship/small groups development
